# INTERNATIONAL SPACE OLYMPIAD 2026

## PRELIMINARY LEVEL EXAMINATION RESULT

### IMPORTANT INFORMATION

The results published by the **International Space Olympiad (ISO)** are provisional and subject to verification. Inclusion in the rank list does not constitute final confirmation of candidature.

If, at any stage, a candidate is found to be ineligible, or any information provided is found to be false, incomplete, or misleading, the candidature and/or result may be cancelled immediately.

#### Malpractice & Unfair Means

Any form of **malpractice, unfair means, external assistance, unauthorized materials, or assistance from another person** during the examination is strictly prohibited.

If a candidate is found to have engaged in malpractice or sought external assistance, the examination may be terminated immediately, and the candidate may be **disqualified and debarred from the International Space Olympiad (ISO)**.

Malpractice may also be identified through **post-examination video/audio verification, result analysis, or subsequent verification**. If malpractice or any irregularity is detected after the examination, the candidate's result may be cancelled and the candidate may be debarred from ISO.

#### Post-Examination Verification

ISO may conduct a **random follow-up viva or verification** with selected candidates to assess their knowledge and verify the authenticity of their performance. Where necessary, a candidate may be required to undergo a **re-test under strict supervision**.

#### Final Result

**Final ranks and results are subject to completion of the applicable verification process.** ISO reserves the right to withhold, modify, or cancel any result if malpractice, ineligibility, false information, or violation of examination rules is established.

Eligible candidates are requested to register for the Intermediate Level Examination.
